

A **Path of Love** based workshop

Awakening of Love

24th – 26th April, 2015

“Awakening of Love is a workshop for people who truly want to change something in their lives”.

It's a powerful 3-day workshop that gives you an opportunity to..

- Sincerely evaluate where your life is right now.
- How you got to be where you are today.
- What you need in order to make an inner-shift.

By taking this time out, you give yourself an opportunity to discover what it is you're truly longing for to make a genuine change & shift in your life.

WE HAVE ONE LIFE. MAKE EVERY DAY WORTH WHILE.
